Our Services

Alt Beatty Consulting works with government and non-government agencies to help them deliver better services to citizens and clients.

Alt Beatty specializes in:

- evaluations and reviews
- program and policy development
- stakeholder consultation and reporting
- facilitation.

We combine extensive knowledge of publicly funded programs, rigorous analysis of quantitative and qualitative data, effective channels for service users to be heard and well honed project management skills to produce practical solutions for our clients on time and within budget.

Our Team

Merilyn Alt and Dianne Beatty are the Principals of *Alt Beatty*. Both worked for the Australian and NSW Governments prior to becoming consultants in 1991. Their policy areas include ageing and aged care, social housing, labour markets and community and health services. They also have worked with whole of government services and programs.

Alt Beatty regularly draws associates into project teams to meet the requirements of particular assignments.
